

## **Music Island Adventure – Composing, Listening & Performing for ages 7-12**

Five contrasting areas contain musical games and characters. There is composing, mixing, performing and listening - and plenty of music, lyrics, puzzles, worksheets and artwork to print out!

### **Beach Party**

Captain Cook, Chico and the gang are having a Beach Party - want to join in? You can sing along to the backing tracks - print the lyrics and music to 6 new songs and pieces - play your recorder, guitar or keyboard - or simply kick your feet in the sand!

### **Captain Cook's Map**

Captain James Cook has arrived on the island to map it out - unfortunately some naughty natives have ripped up his favourite pieces of music - can you put them back together again by listening to the three contrasting pieces?

### **Monkey Business**

Chico the monkey has to get to the other side of the river. You have to build the musical bridge to let him cross. Are you ready to build this bridge and let Chico back across the river? Simply choose a plank - listen to the music as it plays, and you decide where they go on the bridge and how your complete composition will sound!

### **Mountain Railway Adventure**

Come with us into the mountain on our gigantic steam train to discover the very secrets of some wonderful music. Composers, famous music, instruments and music theory - are all included on this musical journey. All aboard to find out much more!

### **Rock Pool Band**

Six fishy characters playing instruments are invited up on to the rocks to perform. Mix the band's three contrasting tracks with individual volume and panning - you decide how you want the final mix!
